

## BUSHMAN SLIMLINE AND ROUND TANKS

- High-quality, one-piece rotational molded polyethylene ribbed construction assures maximum strength and long-term durability.
- UV-stabilized and FDA-compliant (food grade).
- Blocks sunlight penetration to inhibit growth of algae.
- No concrete or other foundation pad required.
- Includes: built-in inlet strainer with mosquito screen and cover, outlet with threaded insert and plug, overflow elbow.
- Tank openings are pre-installed for easy installation
- Basic, Premier, and Signature packages available.
- 5 year manufacturer's warranty.

### BUSHMAN BRTT 205 ROUND TANK

Convenient, small scale delivers the capacity of four, 50-gal. rain barrels. *Not available in Desert Tan.*

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
205 gal.		2'8"	4'7"	\$350.00	\$1.71	N/A

### BUSHMAN BSLT 305 SLIMLINE TANK

Slimline limited depth profile is ideal for tucking against walls or under eaves.

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
305 gal.	2'0"	4'9"	5'2"	\$800.00	\$2.63	19 min.

### BUSHMAN BSLT 620 SLIMLINE TANK

Combines versatile capacity with Slimline limited depth profile.

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
620 gal.	2'1"	7'6"	6'6"	\$1,400.00	\$2.26	39 min.

### BUSHMAN BSLT 660 LOW PROFILE TANK

Classic low-profile design updated with Bushman ribbed technology for strength, durability and capacity.

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
660 gal.	5'11"	4'1"	6'6"	\$1,000.00	\$1.52	41 min.

### BUSHMAN BSLT 865 ROUND TANK

Large-capacity tank provides nearly an hour of watering time.

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
865 gal.	2'1"	5'2"	6'7"	\$1,300.00	\$1.51	54 min.

### BUSHMAN BSLT 1110 LOW PROFILE TANK

Extra-large capacity tank with a convenient low profile.

Capacity	Depth	Width	Apex Height	Base Price	Cost/gal.	Water Flow*
1,110 gal.	7'1"	4'6"	6'6"	\$1,500.00	\$1.35	69 min.

## BUSHMAN TANK COLORS\*\*

\*Approximate capability of tank to provide continuous water flow (in hours/minutes), using 3/4 HP pump and 3/4" hose (measured 16 GPM @ 28psi at hose adapter joint).  
\*\*Actual colors may vary from video/printed ink values.

## EQUIPMENT, PARTS AND ACCESSORIES

### SNYDER TANKS

Sizes from 300 to 5,000 gal. Available in black, desert tan and dark green. UV stabilized for long-term outdoor use. Tank pigmentation hinders sunlight penetration and inhibits algae growth. Starting at \$295.00

### RMI TANKS

FDA-approved polyethylene, impact and corrosion resistant, one-piece construction, green opaque tanks filter UV rays and reduce algae growth. Concrete pad recommended. Starting at \$295.00

### BUSHMAN EXTERNAL PUMP

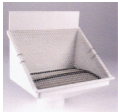

3/4 HP pressure pump delivers stored water to irrigation and other systems. In UV-stable colors (except desert tan) to match environment or tank. Price: \$954.70

## BUSHMAN PACKAGES

- 1. BASIC SYSTEM** Tank, inlet strainer and cover, outlets with threaded inserts and plugs, overflow assembly.
- 2. PREMIER SYSTEM** Basic plus rainhead and downspout, mounting clamps (3), inlet pipe and elbow, First Flush diverter, nipple-ball-valve, in-ground box.
- 3. SIGNATURE SYSTEM** Premier plus external 3/4 HP pressure pump, connection accessories and pump cover to match tank.

### RAIN HARVESTING PTY. LEAF EATER RAINHEADS

**ORIGINAL** High-performance rain head improves hydraulic performance of downspouts and ensures gutters and spouts do not become blocked with debris. Self-shedding 6 mm. aperture screen and .955 mm. aperture mosquito-proof stainless steel mesh screen. Includes 170 x 75 mm. lead-free PVC gutter outlet. Available in 90 or 100 mm. outlets. Price: \$60.00

**ADVANCED** Clean Shield screen technology deflects leaves and debris away from water flow, enhancing catchment efficiency and minimizing maintenance. VH Pivot outlet swivels to suit vertical or horizontal downpipes. Single, mosquito-proof stainless steel mesh screen. In 90 or 100 mm. outlets. Price: \$71.00

**ULTRA** Features Hydro Activated Filtration using a precisely angled screen to direct leaves and debris away from water flow and improve efficiency. Leaf Slide deflects debris from screen. VH Pivot outlet swivels to suit vertical or horizontal downpipes. Single, mosquito-proof stainless steel mesh screen. Multi-fit cap: 90, 100, 100 x 75, and 100 x 50 mm. In 90 or 100 mm. outlets. Price: \$80.00

### RAIN HARVESTING PTY. FIRST FLUSH DOWNSPOUT DIVERTER

Takes the first flow of rainwater, which may contain contaminants from roof and gutters, seals it off, then diverts cleaner water to tank. Device slowly rids itself of contaminated water and resets automatically. Supplied in kit form; just add the appropriate length of pipe based on the quantity of water you wish to divert. Price: \$47.50

### RAIN HARVESTING PTY. TANK GAUGE

Tank level indicator uses a reliable float system to ensure you are able to tell how much water is in your tank at a glance. No wiring or batteries. Price: \$32.50

### RAIN ALERT REMOTE TANK-LEVEL MONITOR

Wireless tank level monitor displays tank level on LCD screen that can be located up to 150 ft. away from tank at any power point in house. Price: \$172.25
